Visit to:- Shree Constructions Pvt. Ltd., Pune

Date and Day: 08/10/2025

Time: 01:28 PM

Participants/ Organization name: Shree Constructions Pvt. Ltd.

Name of Team Members: Anirudh Lakkavatri, Swaraj Katkar, Atharva Pardeshi

Aim and Objectives:

- We visited **Shree Constructions Pvt. Ltd.** in Pune to study how skilled workers like plumbers, electricians, carpenters, and painters are hired and managed at construction sites.
- The main objective of our project "**SkillBridge**" is to create a **digital platform** that connects contractors with verified local workers, making hiring faster and more organized.

Summary of the visit:

- Visited **Shree Constructions Pvt. Ltd.** to study worker management.
- Noted that hiring is done manually through calls or local contacts..
- Found issues like worker shortage, delay, and lack of verification
- Collected ideas for a digital platform to connect workers and contractors.

**Sign and Feedback from participants/ Organization:**

- "A digital platform like SkillBridge will really help us find verified workers faster."
- "If the system can show available workers nearby, it will save us a lot of time."
- "Automatic notifications for new job requests would make project work more efficient."
